

Are Her Children Important To You?

Everyone's either a mom, or related to one. Good News!
Finding a gift for that special person just got easier.
Introducing a fresh new concept in mother's jewelry:

Solomon's Bow:

A GIFT THAT CELEBRATES PARENTHOOD

Over 19 years ago, I made a piece of jewelry for my wife to commemorate the birth of our first daughter. Now, more than half a dozen children later, I'm pleased to share the design with you.

This uniquely designed archer's bow pendant, crafted in 10 karat yellow gold set with the parents' birthstones, supports individual arrows with the children's own birthstones from the bowstring. Additional arrows can be added at any time.
